

Hug Yourself Valentine Party

Come listen as Physician Assistant & double, back-to-back bone marrow transplant survivor Alyssa Phillips tells how she turned both a less than five percent chance of survival from a rare, Stage IVB cervical cancer diagnosis and the sudden death of her younger sister into a beautiful new beginning.

Would you consider donating a hat for our **SEGO Chic Boutique**?
We are in need of slightly used hats and scarves.
We will be collecting your donations at the "Hug Yourself Valentine Luncheon".
If you are unable to attend, you always can bring your hat donation to your SEGO chemo suite & let them know "it's for **SEGO Chic Boutique**.
Thank you!
