

SAINT JOSEPH'S

Cancer Survivor's Network

LOOK GOOD...FEEL BETTER®

Please join us for this free program that teaches beauty techniques to women cancer patients in active treatment to help them combat the appearance-related side effects of cancer treatment. Laura Neels, a licensed cosmetologist will be available to help you cope with hair loss, skin changes and other issues that come along with chemotherapy. Learn to select wigs, scarves and other accessories and receive a beautiful, new cosmetic kit to take home!
