

The Look Good...Feel Better make up kits come in:

Light is for women with very fair or porcelain skin, such as Nicole Kidman, Gwyneth Paltrow, Julianne Moore, or Claire Danes.

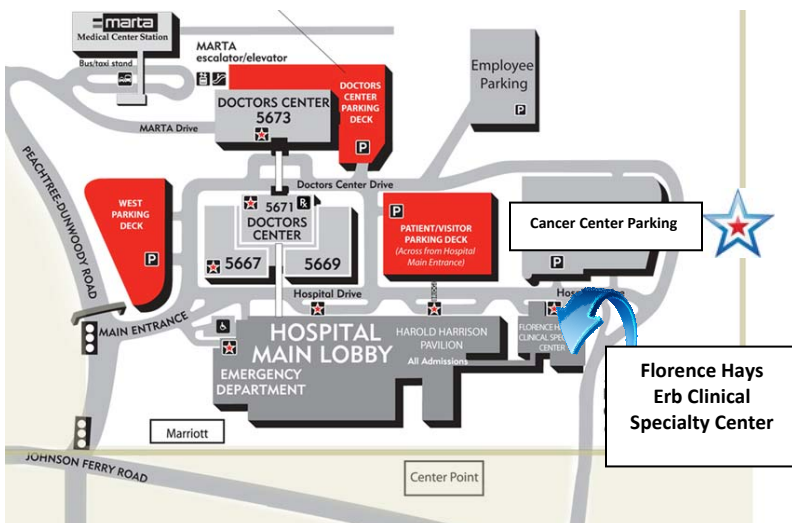

Medium kits are appropriate for a wide variety of skin tones, including skin that would not be considered fair or porcelain, but would also not be considered dark. For example, women with medium skin tones are Angelina Jolie, Britney Spears, Lucy Liu, Catherine Zeta Jones, and Kelly Ripa.

Dark kits are for women with skin tones comparable to Halle Berry or Janet Jackson.

Extra Dark kits are available for women with very dark complexions, such as Whoopi Goldberg, Iman, and Venus and Serena Williams.

SAINT JOSEPH'S

Cancer Survivor's Network

"Look Good Feel Better" programs take place in the Erb Cancer Center conference room on the first floor of the Florence Hays Erb Clinical Specialty Center.

FREE Parking: For the "Look Good Feel Better" programs, please park in the Cancer Center parking deck – immediately across from the Florence Hays Erb Clinical Specialty Center.

When you arrive, pull up to the gate and use the intercom to tell security that you are here for a "cancer center event". The gate will be lifted. Parking will be free in the deck while you are attending the meeting.
