

"Shot with the Doc"

An Update on Research & Treatment for Gynecologic Cancer Patients

Tuesday, June 21st
11:30 am – 1:30 pm

Light Lunch & Refreshments Provided

Special guest speaker:

Jeffrey Hines M.D., F.A.C.O.G.
Gynecologic Oncologist

Dr. Hines received his initial medical training at Brown University Medical School. He spent 15 years practicing medicine for the U.S. Army and was a brigade surgeon during Desert Storm. He received his training in Gynecologic Oncology at Georgetown University and has been practicing the specialty since 1995. He was the Assistant Chief, Division of Gynecologic Oncology at Brook Army Medical Center, Ft. Sam Houston, San Antonio, Texas. Dr. Hines has a special interest in research and is a National Cancer Institute Investigator. He joined SEGO in 2000. Dr. Hines sees patients at our Southern Regional and Kennestone locations.

Space is limited, so please RSVP early.
